## **Head Coach**

# Chris HOWARD

Chris Howard wants his team to take a step forward after the Lawrence University football program struggled in 2008.

"I want to continue to see a progression in our football program," Howard said. "We have made some positive steps over the

past few seasons, but we need to establish ourselves as one of the top teams in the Midwest Conference."

Howard believes the Vikings have some of the pieces in place that will allow Lawrence to compete with the best teams in the Midwest Conference.

"We have student-athletes with a great work ethic, and they are beginning to understand the sacrifices that need to be made if we are to progress toward the top of the conference," Howard said.

spent many Saturdays watching the Vikings in the Banta Bowl. He understands and wants to impress upon his team what a special place Lawrence is.

"We want these young men to appreciate the opportunity that is presented to them at Lawrence," Howard said. "They will receive a superlative education and get the chance to play in the Banta Bowl on Saturday afternoons."

Howard believes one of the most important parts of his job is making sure the student-athletes are enjoying the competition and playing the game for all the right reasons.

"My staff and I also want to get the players to make the most of this opportunity and truly help them cultivate a love for the game," he said.

Howard became the 25th head coach in the football program's long and storied history when he took over in December 2004.

He came to Lawrence after spending three seasons as the defensive coordinator and defensive secondary coach at St. Norbert College. He helped the Green Knights win three conference championships and post the first NCAA Division III playoff victory in school history. St. Norbert compiled an impressive 29-4 record over those three seasons, and the Green Knights ranked first in total defense in the Midwest Conference in Howard's last two years.

Howard has an impressive coaching background that ranges from the prep level to NCAA Division I-A. Before going to St. Norbert, Howard coached for Southern Utah University from 1996 to 2002. He served as both offensive and defensive coordinator at Southern Utah. With Howard as offensive coordinator, the Thunderbirds ranked second in the nation in rushing and 16th in total offense. His defense had three seasons ranked in the top 25 in total defense.

A 1983 graduate of the University of Wisconsin-Stevens Point, Howard played football for the Pointers and earned a bachelor's degree in psychology. He earned a master's degree in physical education from Illinois State University in 1986.

Howard was a doctoral candidate in exercise and sports science at the University of Utah and has all but his dissertation completed.

Howard, who played his prep football for legendary coach Paul Engen at Appleton West High School, is married. Howard and his wife, Mimi, have a son, Nicholas.

team All-Midwest Conference running back in 2008 and led the league in rushing at 89.9 yards per game. Conference. Underhis tutelage, the Vikings have become consistent performers in the kicking game.

### **Season Preview**

The Lawrence University football team takes a basketball term into its 2009 season because the Vikings are looking for a rebound.

After a disappointing 1-9 season in 2008, Lawrence is poised for a marked improvement this fall. The Vikings return a large core of experienced players and welcome a good group of newcomers.

The defense starts with the return of a pair of key players up front. Senior defensive tackle and three-time All-Midwest Conference selection Jeremy Reider is back after missing all of last season due to injury. Also back is senior defensive end Matt Frelich, another allconference selection, after he missed nearly all of last season due to injury. Frelich ranks among Lawrence's career leaders in tackles for loss, sacks and blocked kicks.

Senior Marvin Simelton leads the rest of the returning players after starting a season ago. Seniors Brian Dabbs and John Buntrock saw significant action last season, along with sophomores Eric Follett, Matt Desjardins and Corey Torres.

Freshmen Nick Randall, Alex Schmitt and Zach Kulig could play a big role right away.

The Vikings have standouts at linebacker in seniors Kevin Penza, Brian Janssen and Mike Gostisha. Penza is a two-time All-MWC pick who missed half of last season due to illness. Janssen is an all-conference selection who piled up 72 tackles last season. Gostisha, who also can play defensive end, was named the MWC Defensive Player of the Week after a big game in the 2008 season finale. He finished the season with 66 tackles, including 15 tackles for loss.

Also returning is junior Greg Pater, who picked up 53 tackles a season ago while seeing lots of playing time. New to the mix are freshmen Larry Mikrut and Matt Larsen.

Starting cornerbacks Andy Frelich and Kyle Gauthier anchor the secondary. Frelich is a three-year starter in the secondary, and Gauthier is a former all-conference selection.

Sophomore cornerbacks Nick Thackston and Robbie Ulloa also saw significant playing time last season.

The Vikings also return junior Jeff Nichols at safety after he picked up 61 tackles and nine pass breakups last season.

Looking for playing time in the secondary will be talented newcomers Jordan Burke and Justin Barbour.

The offense has an experienced quarterback in senior Nick Maxam and several others who will challenge him for playing time. Maxam, who has thrown for 3,142 yards in his career, ranks seventh in career passing yards and eighth in touchdown passes (25).

Sophomore Eric Bohling saw limited playing time as a freshman but looks for that to change this fall. Sophomore Mats Jonsson could also vie for more playing time.

Three newcomers at quarterback are freshmen Alex Brewer, Sam Ausloos and Nate Nelson. If Nelson doesn't play quarterback, he could be a serious contributor at wide receiver, where he was a prep standout.

The Vikings return several standouts among the receiving corps. Senior tight end Matt Hintz caught 20 balls last season and earned all-conference honors last season. Hintz is joined by senior Luke Fickbohm.

Junior Jeremiah Johnson and senior Wes Otte lead the group of wide receivers and slotbacks. Johnson leads the returning receivers with 33 catches a season ago. Also back are senior slotbacks Josh Scheck and Lucas Below, junior wide receiver Troy McGilligan, and sophomore wideout Jon Bruehl.

The newcomers among the receivers include freshmen Chris McDonald and Brandon Olson.

The Vikings will attempt to replace all-conference running back Craig Ebert, who was lost to graduation. The group of returning backs is paced by junior Jesse Peterson, who had 60 carries for 168 yards a season ago. Also back are senior Dan Behnke and sophomore Ben Hartman, and new to the mix are Larsen and fellow freshman Jon Hope.

Opening the holes will be one of the finest group of linemen the Vikings have had in recent seasons.

Lawrence returns three starters, junior left tackle Cullen Dunn, junior right tackle Tim Bickmore and sophomore center Nick Kerkman. Junior Kaushal Malde also started at right tackle last season, and the Vikings also return junior Ryan Shaw and sophomore Jesse Simonsen.

Newcomers looking to break into the starting lineup are led by freshman Chris Schmidt, who comes to Lawrence after serving overseas in the military. The other freshmen also possess good size and ability are Gus Bishop, Chris White, Kyle Gerstner, Ben Rabenn and John Oestreich.

The Vikings' kicking game returns Gauthier, who has both punted and kicked during his career. Look for Nelson to challenge for the punting duties, and the Vikings have two newcomers, Nick Hitch and Cody Robel, trying to win the kicking job.

Junior wide receiver Jeremiah Johnson leads all returning receivers after catching 33 passes in 2008.

Morris came right back on its next possession to cut the lead to 14-6. Running back Ernest Tucker carried nine times on the drive for 34 yards, including a one-yard touchdown run.

The Vikings forced a short punt late in the first half, and a kick catching interference penalty gave Lawrence a first down at the Morris 25-yard line with 51 seconds left in the second guarter. Maxam hit Jeremiah Johnson on the next play for a touchdown, as Johnson made a nice catch in the end zone for a 21-6 halftime lead for the Vikings.

Morris put together an 11-play, 82-yard drive to cut the lead to 21-13 late in the third quarter. The Vikings then stopped two Morris drives in Lawrence territory to seal the victory.

Mike Gostisha piled up 10 tackles, including four tackles for loss, to pace the Vikings. Gostisha had a key sack to stop one late drive, and Sam Laes had an interception to snuff out the other.

Bernie Hesleton gets a ride on the shoulders of his players after the Vikings defeated Ripon College 34-13 on Nov. 2, 1946. Lawrence won the Midwest Conference championship that season and Heselton's teams claimed five more league titles. Heselton compiled a career record of 111-79-5.

Mark Catlin is one of the most unique characters in the history of Lawrence football. Catlin won five conference championships while coaching the Vikings from 1909-18 and again from 1924-27. The "Coach of Champions," Catlin served in the Wisconsin Assembly and worked as an attorney until his death in 1956.

## **Midwest Conference**

### History

The modern-era Midwest Conference was created in the spring of 1994 with the merger of the Midwest Collegiate Athletic Conference, which had been sponsoring men's championships since 1921, and the Midwest Athletic Conference for Women, which was formed to conduct women's championship competition in 1977.

The stated intent of the union was to preserve both groups' traditions while enhancing administrative efficiency and fostering equity between men's and women's sports.

The MWC provides championship competition in 10 men's and ten women's sports for 10 liberal arts schools located in Illinois, lowa and Wisconsin.

Beloit, Carroll, Lawrence, Ripon and St. Norbert (all in Wisconsin) compete in the league's North Division for volleyball, baseball and softball. Illinois College, Knox, Lake Forest and Monmouth (all in Illinois) and Grinnell (in Iowa) compete in the South Division for volleyball, baseball and softball. Lake Forest does not field a baseball team.

In 1998, football teams began playing a single round-robin schedule against all other league teams with the championship going to the team with the best nine-game record.

Volleyball teams use the league schedule to determine seeding for a championship tournament. In men's and women's basketball, the top four teams from the league advance to a conference tournament.

In baseball and softball, the top two teams in each division advance to a championship tournament.

Both men's and women's soccer teams play a single round-robin schedule against all nine league opponents. The top four teams advance to a championship tournament.

Championships in the MWC's other sports — men's and women's cross country, indoor and outdoor track, men's and women's golf, men's and women's tennis and men's and women's swimming — are determined at a conference meet.

Conference champions in football, volleyball, men's and women's soccer, men's and women's basketball, baseball and softball all receive an automatic berth in the NCAA Division III Championships.

### **Midwest Conference Web site**

For all the latest football standings, statistics, and updated information: www.midwestconference.org

Also, log on to www.lawrence.edu/athletics to follow all of Lawrence University's sports scores and information.

The league also determines men's and women's "All Sports" team championships based on overall performance throughout the academic year and designates an Academic All-Conference Team at the end of each sports season.

The purpose of the Midwest Conference since its formation has been to "maintain athletic activities on a plane in keeping with the dignity and high purpose of liberal education." Competitive sports are regarded as a valuable part of the educational

experience and are maintained for the benefit of students.

Organization of a men's conference was conceived on May 21, 1921. Charter members were Beloit, Carleton, Coe, Cornell, Knox and Lawrence.

Competition began the same spring with a track and field meet at Coe in which all six charter members competed and Cornell emerged victorious.

Hamline and Millikin joined the league in December 1921 but later withdrew. Lawrence, Coe and Millikin topped the initial football standings in 1922, and Beloit won the first basketball championship in 1922-23. Cross country was added in 1929, tennis in 1931, golf in 1934, swimming in 1936, baseball in 1953, soccer in 1971 and indoor track (which previously had an informal championship) in 1977.

Championships in volleyball, women's tennis, women's cross country, women's basketball, women's swimming, softball and women's outdoor track were added in 1984 and women's soccer was added in 1986. Knox became the first official women's golf champion in 1996.

Ripon joined the conference in 1923, Monmouth in 1924, Grinnell in 1940 and Lake Forest in 1974. Illinois College and St. Norbert joined in 1982 and Carroll followed in 1992. Carleton withdrew following the 1982-83 academic year. St. Olaf also competed in the conference from 1952 to 1974, as did the University of Chicago from 1976 to 1987. Coe and Cornell withdrew following the 1996-97 academic year.

### **Spectator Behavior Policy**

The NCAA and Midwest Conference promote courteous and respectful behavior by student-athletes, coaches and spectators. We request your cooperation by supporting the participants and officials in a positive manner. Profanity, racist or sexist comments or other intimidating actions will not be tolerated and are grounds for removal from the site of competition. Also, consumption or possession of alcoholic beverages is prohibited. We thank you for your cooperation.

## The Banta Bowl

When the Lawrence University football team moved into the Banta Bowl, a new era in Vikings football came with the team. Not only did the Vikings have a stunning new stadium in which to play, Lawrence also had a new coach.

The football facility at Lawrence would not have been possible without the generosity of George Banta, Jr., Class of 1910. The Banta Bowl was rededicated after Banta's death in his honor on September 23, 1978. Originally called the Lawrence Bowl, the stadium was an anonymous gift from Banta, just one of many he made to Lawrence during his lifetime.

Construction of the stadium in this location seems like a no-brainer to us now. Looking back, it was nothing short of inspiration in 1965. Appleton is a system of natural ravines, and the Banta Bowl rests comfortably in one of them. The facility looks as if it has always been there, a natural part of Lawrence's landscape.

The 5,255-seat stadium has its bleachers tucked neatly into the surrounding, treelined hillsides. When football season is in full swing, the colors of autumn light up

Saturday afternoons in the Banta Bowl, forming a union between the game and the natural beauty surrounding it.

The football teams at Lawrence have embraced the Banta Bowl and made it a home to champions. The Vikings have captured

seven of their 16 Midwest Conference titles since moving into the stadium in 1965.

When the stadium opened in 1965, Ron Roberts took over for his first season as head coach. He replaced Bernie Heselton, the legendary coach who led the Vikings from 1938-64. Roberts continued Lawrence's winning football tradition by capturing backto-back league titles in 1966 and '67. Roberts did that one better by winning a trio of titles from 1979-81. Roberts coached from 1965-83 and returned for a single season in 1992. He compiled a record of 121-54-1 in the Banta Bowl.

The Banta Bowl has also been home to numerous local legends. In 1967, Chuck McKee and Gary Hietpas were Lawrence's first All-Americans to play in the stadium.

From that point, a line of All-Americans have streamed onto the Banta Bowl's turf. Men like Frank

Bouressa (1977-78), Paul Gebhardt (1977-78), Scott Reppert (1980-82), Chris Matheus (1980-82), Graham Satherlie (1980-81), Pat Schwanke (1982-83), Murray McDonough (1982-83), Dan Galante (1983-86), Bob Sell (1984-85), Chris Lindfelt (1985-86, '88), Marty Johnson (1986-87), Steve Jung (1988-89), Damian LaCroix (1989-90) and Brad Olson (1995-96) have all earned multiple All-America honors playing in the Banta Bowl.

The Banta Bowl, constructed in 1965, is regarded as one of the finest small college football stadiums in the country.

## **About Lawrence**

### Character

Lawrence University is a nationally recognized undergraduate college of the liberal arts and sciences with a conservatory of music. Ranked among the best of the nation's small, private colleges, Lawrence enrolls 1,400 undergraduates from 46 states, the District of Columbia, the Virgin Islands and

51 foreign countries. Nearly half of each year's entering freshmen are ranked in the top 10 percent of their high school classes and score in the top 20 percent of students taking national standardized college entrance examinations. They bring to Lawrence a wide range of interests, talents and ambitions.

### History

Chartered in 1847, Lawrence was among the first colleges in the United States to be founded coeducational. The Lawrence Conservatory of Music, established in 1874, has prepared students for careers in music for more than a century. In 1964, Lawrence College consolidated with Milwaukee-Downer College for Women to form the present-day Lawrence University.

### Location

Appleton, a city of 72,000 in northeastern Wisconsin, is at the center of the Fox Cities. The Fox Cities, a community of 18 towns and cities along the Fox River, is one of the fastest growing areas in

the state and has consistently been named one of the best medium-size metropolitan areas in the nation, based on quality-of-life indicators.

### Campus

The 84-acre Lawrence campus is situated on a bluff overlooking the historic Fox River and contains 59 instructional, residential, recreational and administrative facilities. Adjacent to downtown Appleton, the campus is bordered on two sides by attractive residential neighborhoods. Björklunden vid Sjön, a 425-acre estate on Lake Michigan in Door County, serves as the college's northern campus, hosting retreats and seminars for students throughout the academic year and continuing-education seminars during the summer.

### Faculty

The 155 members of Lawrence's full-time faculty are committed to teaching undergraduates. With 97 percent of its faculty holding the Ph.D. or highest degree in their fields, Lawrence affords its students excellent teaching, a 9:1 student to faculty ratio, small classes, and individual attention.

The school year is structured around three ten-week terms, spanning mid-September through early June. Most students take three courses each term.

### **Academic Program**

Lawrence offers the Bachelor of Arts degree, Bachelor of Music degree and a combined five-year B.A./ B.Mus. degree. Forty-four areas of study, along with the opportunity student-designed for majors, provide a wide range of choice in the academic program a student elects to pursue. All graduation requirements can be completed in four years, except for the doubledegree program or a double major in the Bachelor of Music degree program. Nearly 90 percent of recent graduates seized the opportunity to work in one-on-one collaboration with faculty through tutorials, independent study, or honors projects.

Entering students enroll in Freshman

Studies, a two-course sequence specifically designed to acquaint students with the modes of inquiry characteristic of intellectual discourse at Lawrence and to increase their reading, writing, and speaking skills. The program does more than develop these basic academic skills, however. Through the study of classical works of systematic thought or creative imagination, it also raises for discussion and analysis important ideas of abiding concern. *Freshman Studies* is both an introduction to and an integral part of a Lawrence education.

In addition to the traditional disciplines of study in the humanities, social sciences, fine arts and natural and physical sciences, Lawrence offers interdisciplinary majors or areas of study in biomedical ethics, cognitive studies, environmental studies, ethnic studies, gender studies, linguistics, international studies, natural sciences and neuroscience. Teacher certification is available in secondary education for most subjects and grades K-12 in music, art and foreign languages.

## **About Lawrence**

### **Other Educational Opportunities**

Lawrence encourages students to engage in at least one term of study away from the campus, and more than half of its students take advantage of one of the opportunities presented by 53 off-campus programs. Lawrence University's own off-campus programs and those offered through the Associated Colleges of the Midwest and other organizations with which Lawrence is affiliated enable students to study in Argentina, Australia, Austria, Belgium, Canada, Chile, China, Costa Rica, Ecuador, England, France, Germany, Greece, Hungary, India, Ireland, Italy, Japan, Kenya, Mexico, the Netherlands, New Zealand, Northern Ireland, Spain and Tanzania.

Other study opportunities include scientific study and research at the Oak Ridge National Laboratory and Woods Hole Marine Biology Laboratory; independent study in the humanities at the Newberry Library; programs in the arts, urban education, and urban studies in Chicago; and a semester examining government and public policy in Washington, D.C.

Lawrence also engages in cooperative arrangements with professional schools that allow students to combine a liberal arts education with professional training in allied health sciences, engineering, forestry and environmental studies and occupational therapy.

### **Conservatory of Music**

The only conservatory of music within a nationally recognized college of the liberal arts and sciences devoted exclusively to the education of undergraduates, the Lawrence Conservatory of Music offers the Bachelor of Music degree in performance, music education, or theory/composition; the Bachelor of Arts degree with a major in music; and the five-year, double-degree program that allows a major within the liberal arts and sciences curriculum and a major within the professional music degree program. Non-music majors may participate fully in conservatory ensembles, by audition.

### Resources

Lawrence features one of the finest small-college libraries in the Midwest, with more than 395,000 books and periodicals; 340,000 government documents; 2,816 current periodical subscriptions; 16,300 music scores; and 125,000 videotapes, recordings and microform items. Other student resources include the Humanities Computing Lab, the Information Technology Center, the Health and Counseling Center, the Center for Teaching and Learning, the Volunteer and Community Service Center and the Career Center, among others.

### Admission

Lawrence has a diverse student body representing a wide range of ethnic, geographic and socioeconomic backgrounds. In particular, students are sought who will profit from the resources and challenges made available to them and who will contribute substantially to its learning community. Candidates should

Alexander Gymnasium

complete secondary school with a minimum of 16 units distributed among English, mathematics, social studies, natural and physical sciences and foreign languages.

Lawrence considers the strength of each applicant's course of study, grades, recommendations, and extracurricular activities, roughly in that order. Lawrence accepts, but does not require, SAT I, SAT II, or ACT scores for admission. An audition is required of applicants to the Bachelor of Music degree who, in addition to academic strength, are judged on musicianship and potential. There is an Early Admission Program for students prepared to enter college after three years of high school.

### **Scholarships and Financial Aid**

Lawrence guarantees, through its need-blind admission policy, to meet the full institutional need of every student admitted. More than 90 percent of Lawrence students receive merit and/ or need-based aid, with an average need-based financial aid package of \$27,500.
